EDUCATION

University of California, Berkeley

Berkeley, CA

B.S. Electrical Engineering & Computer Sciences — Regents' Scholar

Aug 2026 – Present

- **Computer Science:** Data Structures, Digital Computers & Operation
- **Electrical Engineering:** Circuit Analysis & Modeling, Signals, Systems, Controls & Machine Learning
- **Mathematics:** Linear Algebra & Differential Equations, Discrete Mathematics & Probability Theory

Sacred Heart Preparatory

Atherton, CA

#2 nationally ranked Water Polo team; 4x USA Water Polo Junior Olympian

Aug 2022 – May 2026

EXPERIENCE

Intern

Nov 2024 – Aug 2026

Harvard Spatial Data Lab

- Used elevation, soil, & flood data to select ideal locations and deploy 500 water harvesting units (10k liter)
- Developed a custom machine learning-based satellite image classification model for population density mapping, presented at NeurIPS 2024
- Conducted 200+ ground interviews across 60 miles and mapped informal roads

Youth President

Sep 2022 – Present

Maji Wells

Arusha, Tanzania

- Raised \$250K and deployed 500+ subsidized rainwater harvesting units across the Losimingori region, reducing water-collection walks for 15,000+ Maasai and doubling average weekly household income
- Recruited & led volunteer teams to Tanzania focusing on women's health, disease prevention, and tech literacy
- Organized fundraising and community events in both Tanzania and California
